👉 excellent phone

⚠️ ⚠️ not a value for money ⚠️ ⚠️

👍 just what I was looking for!

Zabardast

Your product is defective and your commitment is third class and customer service is hopeless

You will never get service for this brand. iPhone service center not taking there product.

You will always feel cheated after buying an iPhone. It will get cheaper by every next 2-3 months.

You know already everything about XR, best budget phone it is.

You dont dislike apple
